

New Cardboard Recycling Procedures

The Town will now provide a separate cardboard collection site at the Construction and Demolition Debris facility on Scarborough Drive. The facility hours have now been extended to provide full coverage Monday through Saturday from 9:00 a.m. to 4:00 p.m. (closed for lunch from 12-12:30 p.m.). Residents may still use their recycling buckets for cardboard collection as long as the cardboard is not longer than 48 inches in length, fits and is fully contained within the bin.

The change, while only minimally affecting residential collection users, will allow the Town of Union to continue to provide a low cost (average of approximately \$150/year), comprehensive, and diverse municipal refuse/recycling collection to residents.
