

## ADVERTISEMENT FOR BIDS

The Town of Union, New York, invites sealed bids for

### UPGRADE FAIRMONT PARK FLOOD PUMP STATION

Bids for the construction of the Project will be received at the Town of Union Town Hall at 3111 E. Main Street, Endwell NY 13760 at the Town Clerk's Office, until **10:00 AM, April 2, 2024**. At that time the Bids will be publicly opened and read in the Town Supervisor's Conference Room.

The Project includes the following Work:

- 1. The proposed project will upgrade the Fairmont Park Flood Pump Station by providing a permanent steel platform and emergency generator above the 100-year flood elevation. The project will include new electrical components including pump controls, power supplies and automatic transfer switch mounted on the new steel platform. In addition, a new 250 KW gaseous fuel emergency generator and remote monitoring system will be constructed on the new steel platform. Other site improvements include adding a parking area for maintenance vehicles and site restoration.**

The Issuing Office for the Bidding Documents is **Dataflow – Binghamton Office** at the following address:

19 S Washington Street  
Binghamton, NY 13903

Phone (607) 771-2001

[bidsupport@godataflow.com](mailto:bidsupport@godataflow.com)

Printed copies of the Bidding Documents may be obtained from Dataflow by paying a deposit of \$50.00 (plus shipping) for each complete bid set payable to Dataflow by credit card. Shipping charges may apply. Electronic Bid Documents may be purchased for a non-refundable fee of \$30.00 per bid set, payable by credit card.

Information and Bidding Documents for the Project can be viewed at the following designated locations:

Plan Rooms at

1. Builders Exchange of the Southern Tier

Neither Owner nor Engineer will be responsible for Bidding Documents, including addenda, if any, obtained from sources other than the designated Issuing Office.

Questions or inquiries should be in writing and directed to Delta Engineers, 4873 NYS Rt. 5, Vernon NY 13476. William Nichols, PE Project Manager, telephone 315-203-8052, and email at [wnichols@delta-eas.com](mailto:wnichols@delta-eas.com). All questions must be received at least seven (7) days prior to the date fixed for the opening of bids.

Each bid must be accompanied by a Bid Security in the amount of five percent (5%) of the base bid in the form of a bid bond or certified check, made payable to the **Town of Union**.

Contractors shall document good faith efforts to solicit active participation by Minority/Women-owned Business Enterprises (M/WBE) for provision of labor and/or materials as appropriate.

The Town of Union is an Equal Opportunity Employer and encourages all Section 3 and Minority/Women-Owned Business Enterprises (M/WBE) to submit proposals.

No pre-bid conference for the Project will be held. Interested bidders may visit the site at any time at the Fairmont Park Flood Pump Station located at the western terminus of Oak Street near the Fairmont Park Apartments in Johnson City, New York.

No bidder may withdraw his bid within 45-days after the actual bid opening thereof, in accordance with the New York State General Municipal Law, Section 105.

The bidders should not include in their bid Sales and Compensating Use Taxes on the cost of the materials which are to be incorporated in the Project and which are to be separately sold by the Bidder to the municipality prior to incorporation into the Project.

In accordance with New York State General Municipal Law, Section 103, the Town reserves the right to waive any informalities in, or to reject any or all bids.

Leonard J. Perfetti

TOWN CLERK

TOWN OF UNION, NEW YORK
