NEWS RELEASE from Town of Union and the Village of Endicott

FOR IMMEDIATE RELEASE:

February 24th 2023

The TOWN OF UNION Department of Public Works and the VILLAGE OF ENDICOTT Waste Water Treatment Plant issue caution for potential discolored water.

(Endwell, NY) Residents and businesses are advised that on Tuesday, February 28th, the Town of Union and the Village of Endicott WWTP will be having a pipe condition assessment performed on a sanitary sewer force main located between the Argonne Avenue pump station and Riverview Drive. This will require that a fire hydrant be operated to supplement flows for the process.

Be advised that this action could potentially result in safe, but brown-colored water, coming out of faucets in certain areas of the Town and Village.

Affected communities include the Part-Town areas of the Town of Union and the Village of Endicott.

For Further Information: *Village of Endicott Waste Water Treatment Plant at (607) 757-2457 or the Town of Union Department of Public Works at (607) 786-2952*
