ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Town's Section 8 programs were established in 1976 under State legislation.

In 1976, the Town's Section 8 program received its first approved Annual Contributions Contract under the Section 8 Existing Housing Assistance Payment Program. The Town currently administers the following programs:

- **Section 8 Housing Choice Voucher Program**

Pursuant to Section 511 of the Quality Housing and Work Responsibility Act (QWHRA) the Town of Union has prepared both five-year and annual plans governing the operation of the Section 8 programs. Since the Town operates Section 8 only, there are relatively few new initiatives outlined in this plan.

Prior to the Public Hearing held on July 16, 2008, the Town placed a notice in the local newspaper announcing the Public Hearing and requesting written comments about the proposed program changes.

A Public Hearing on the proposed draft Annual Plan will be held on September 17, 2008. The Town Board will also afford a second public comment opportunity on October 15, 2008 prior to adoption of the plan.

There are a number of issues of concern for the coming program year. The continued reduction of funding authority and administrative fees has put a significant burden on the effective operative of the program. As part of a SEMAP corrective action plan, the Town has focused intensely on increasing the number of units under lease in order to meeting the 95% base units leased or HAP expenditures. According to HUD's Financial Management Center, although the Town has baseline authority to lease 522 units, HUD currently has authorized HAP funds for far fewer units. The Town is faced with rising per unit costs (\$247 to \$274 from 1/1/08 to 8/1/08) that have yet to be addressed by HUD. As more very low-income applicants are placed on the program due to income targeting requirements, the Town's per unit cost have risen dramatically. The Town is also concerned about the manner in which replacement funding will be determined for 2009. In 2006 when Congress adopted a new funding formula process, many PHAs, including the Town of Union, followed HUD's suggestion and stopped issuing new Vouchers since it was unclear that there would be sufficient funding to pay for them. As a result, over the past several years, the Town's leasing rate dropped significantly as some participants left the program and

were not replaced. This reduction in unit months has been further complicated by a staff vacancy that hindered the Town's ability to add new participants to the program. A caseworker position which had been vacant since January of 2006 due to a long-term disability has now been filled

ii. Executive Summary of the Annual PHA Plan

The mission for the Public Housing Agency is to provide for a wide variety of living environments for all socioeconomic groups in the population. The PHA Plan and the Town of Union Consolidated Plan are completely compatible. The Consolidated Plan includes several programs that will benefit the Section 8 participants, directly or indirectly.

The Annual Plan identifies the housing needs, especially the housing needs of the extremely low income, very low income and low-income residents of the Town of Union. One of the largest housing needs is affordability and quality of rental housing units. The Section 8 Rental Assistance Program reduces affordability issues by providing direct financial assistance to reduce the cost burden. It is proposed to increase the number of people that can be assisted by applying for additional Section 8 assistance. Improvements to the administrative practices of the Section 8 staff (subject to administrative fee cuts) will increase people's ability to utilize the existing vouchers when they become available. The Town has worked with local non-profit organizations to purchase vacant school buildings for adaptive re-use as senior citizen housing. The Town had previously earmarked \$150,000 in Section 8 Administrative Fee reserve funds for SEPP, Inc. to purchase a school in Johnson City for conversion to Section 8 eligible rental units. Unfortunately, HUD unilaterally recaptured the Administrative Fee Reserve Funds that the Town had legally earned and earmarked for this important project. The Town subsequently earmarked \$150,000 in CDBG funding to accomplish this project. SEPP, Inc. was recently notified that the Low Income Housing Tax Credit application for a second school conversion project was approved. An additional \$150,000 in CDBG funding was provided for this project as well. A ground breaking

ceremony for the project took place this past spring and construction is nearing completion with a Fall of 2008 occupancy expected. The two projects will provide approximately 100 units of high quality affordable senior housing that is available to Section 8 participants.

The Town of Union views homeownership as the preferred form of tenure. As such, the Town has committed CDBG and HOME funds (when received from New York State) towards providing direct financial assistance for first time home buyers.

The Town seeks to encourage participants to work. The Town has included the Administrative Plan amendment to eliminate interim recertifications for minor increases in income. The Town reinstated a local preference system in 2004 and amended the preference system (7/12/06) to grant priority status to applicants who have been involuntarily displaced by a natural disaster.

Attachment B

C. Strategy for Addressing Needs Narrative

The Town of Union Planning Department is the designated Public Housing Agency for the Town of Union. The Planning Department administers the Housing Choice Voucher and Community Development Block Grant programs for the Town. The Planning Department completed the Town of Union Consolidated Plan Fiscal Years 2005 to 2009. The combination of the two functions provides an ease of compatibility and complimentary actions that usually is not found in separate and distinct agencies.

The Town has made progress in taking applicants from the Waiting List and placing them on the program however, due to an unprecedented number of tenants leaving the program, the program utilization has not increased as rapidly as projected. According to HUD, the Town has 522 baseline units, however only approximately 346 are actually funded given the increase in the Town's average per unit cost.

The FSS program had been slowed by a number of problems. The Town FSS Administrator resigned during 1998 leaving many of the participants in limbo. To avoid similar problems in the future, the Town outsourced the FSS administration to the Board of Cooperative Educational Services (BOCES). BOCES provides vocational training and support services to children and adults. The trained personnel are able to offer a wide range of services for the FSS participants. Much of 1999 and 2000 was spent working with the FSS participants who were already under a Contract of Participation. Due to a demonstrated lack of success with the FSS program, the Town elected to not renew its contract with BOCES to run the FSS program. Many of the functions of the FSS program are now being successfully carried out by the Broome County Department of Social Services, which recently opened a 10,000 square foot Family Self Sufficiency facility. There is no longer a need for the Town to unnecessarily duplicate the efforts of the County. Shared clientele will be referred to the County for Self Sufficiency counseling. HUD granted a three-year waiver for operation of the FSS program in October of 2007. The waiver expires on December 31, 2009 at which time the Town plans to request an additional three year waiver.

The Town of Union has as a priority that homeownership is the preferred form of housing tenure. The Town has focused attention on providing assistance to first time homebuyers. The Town uses CDBG and HOME (when received from New York State) funds to assist first time home buyers.

Attachment C

3. PHA Policies Governing Eligibility, Selection and Admissions Narrative

The Town reestablished a local preference system which became effective in 2004. At the present time, applications are selected by local preference and date and time of application, and are subject to the income target requirements of the program as modified in the exemption granted by the Buffalo regional office. On July 12, 2006, the Town Board amended the local preference ranking system to grant the highest priority to residents who have been involuntarily displaced by a natural disaster. This amendment was necessitated by the historic flooding that took place in June of 2006. Many parts of Broome County, including the Town of Union, were designated by President Bush as disaster areas.

Attachment D

5. Operations and Management Narrative

There are no changes to the Town's administrative policies or management practices included in this Annual Plan (other than those discussed relating to the FSS program, Homeownership Program, and recent amendment to the local preference system). The Town will be completing a review of its Administrative Plan in the first quarter of 2009. If changes are made, a copy of the revised plan will be forwarded to HUD.

Attachment E

11. Homeownership Programs Administered by the PHA Narrative

Due to staffing and administrative fee funding constraints, the Town of Union does not intend to operate a Section 8 funded Homeownership program.
