Richard A. Materese

Supervisor

Attention Town of Union residents – outside of the Villages

During these continuing difficult times, we, at the Town, are attempting to assist our residents as best we can. We understand that going two weeks between recycling pick-ups may put a strain on some of our residents. We also realize that delaying yard waste pick-up, indefinitely, also can be an inconvenience to many of you. Outlined below are two steps we are taking to alleviate some of that burden.

RECYCLING MATERIALS

Residents can take their excess recycling material to our yard on Scarborough Drive, entering through the gate that is used for C&D and e-waste drop off, **to a recycling drop off site** which is ready to go beginning Monday April 6th. **It will be available from 8:00 am to 3:30 pm Monday through Friday except during the lunch hour from 12:00 pm to 12:30 pm.** This site is available for our residents (outside of the villages) only. There will be an attendant on duty to check residents' addresses.

YARD WASTE MATERIALS

Residents can take their yard waste material to our yard on Argonne Avenue, entering through the gate at the intersection of Kent Avenue. The yard waste drop off site is ready to go beginning Monday April 6th. **It will be available from 8:00 am to 3:30 pm Monday through Friday.** This site is available for our residents (outside of the villages) only. No commercial lawn care companies allowed.

Rick Materese and the Town Board,

and The Town of Union Public Works Department.
