MS. MILLER: We will open the Public Hearing, and I will read the public notice.

The Town of Union Planning Board will conduct a public hearing relative to an application by Ames Automotive LLC to store used motor oil associated with the auto repair business at 2320 Lewis Street (Tax Map # 157.07-2-37). The property is zoned Industrial and the auto repair shop is an approved use. An aquifer permit is required for the aboveground storage of used motor oil in the primary aquifer district.

The public hearing will take place on Tuesday, January 10, 2023, at 7:00 PM or thereafter in the Town Board Meeting Room on the second floor of the Town of Union Office Building located at 3111 East Main Street, Endwell, New York. The application is available for review in the Town of Union Planning Department during normal business hours.

Individuals with special needs requiring accommodations may contact the Planning Department at (607) 786-2926 at least 24 hours prior to the scheduled public hearing. Lisa B. Miller, Planning Board Chairperson.

MS. MILLER: Does anyone have any comments, questions or anything to add?

MR. AMES: I have nothing really. I mostly store oil for my waste oil burner. I have a 275-gallon tank and it has secondary containment.

MS. MILLER: Any questions from the Planning Board? Okay, then we will close the Public Hearing.

Public Hearing concluded: 7:04 p.m.

I, CAROL M. KRAWCZYK, do hereby certify that the foregoing transcript of a Public Hearing of the Town of Union Planning Board is a true, accurate, and complete transcript of my stenographic notes/tape taken at the above time and place.
