Outdoor Operations and Salt Storage: Special Permits and Site Plan Review

412 Scarborough Drive

Dan Carlin / Ray Lohmeyer
Owner/Applicant Name:

Engineer/Architect Name: Richard Thurston

## Project Contact :

Ray Lohmeyer

## Project Description:

Mr. Lohmeyer applied to have a snow removal business at 412 Scarborough Drive. The property is zoned Industrial and the outdoor operations and storage uses are permitted by special permit. The property is in the 100-year floodplain; therefore the project also required a special permit for floodplain development.

A 22' ${ }^{\prime}$ 25' round top shelter will be erected on precast concrete blocks for road salt storage, and associated trucks and equipment shall be parked on site.
