New laws and regulations relating to Electronic Waste and the increased cost of recycling require a change in the Town of Unions E-Waste/Tire Disposal Program.

Due to the increase in the cost of disposal for tires and the new “Environmental Fee” for CRTs/Televisions/Monitors the new fee schedule is:

- All tires regardless of size - $ 3.00
- All televisions and/or computer monitors - $ 5.00

The new fees begin April 1, 2015, disposal permits may be purchased at the Town of Union Clerk’s office Monday-Friday, 8 am – 4 pm.
