(Endwell, NY) - The Town Board will conduct a Public Hearing on Wednesday, September 1, 2021 at 7:00 PM to hear public comment on the proposed allocation of \$30,477,638 in funding received under the American Rescue Plan Act (ARPA). - Does the project create opportunity to expand the town's tax base or make the town more attractive for future development?
- Is there a regulatory or compliance issue that is addressed through the expenditure of ARPA funds?
- Does the activity or project acknowledge that ARPA funds are one-time investments and should be spent in such a way to avoid recurring costs?
- To the extent practicable, does the expenditure of ARPA funds for an activity or project achieve long-lasting benefits and results?
- Does the activity or project promote long-term fiscal and environmental sustainability?
- Can the activity or project be completed within the expenditure deadline requirements of ARPA?
